

Dear HomeLink Member,

We read your listing in **Holiday Exchange Book n°** and we are writing to say that we would be very interested in exchanging homes with you. Our HomeLink identification number is, and our offer appears in Book n°, page

We are primarily interested in exchanging for the period of (giorno/mese – giorno/mese), although we would consider other proposals.

Please allow us to tell you little about ourselves:

Our Home: We are proud to say that our home is very comfortable and only 10 years old. It has three bedrooms, one bathroom, a living room with fireplace, a kitchen, and there is a garage for two cars. The house is equipped with central heating, color TV, a VCR, and a hi-fi set. Our neighbourhood is very quiet, and our neighbours are friendly.

The location: We live in the town of, only 10 kilometres from the city of Its zoo, museum, monuments, etc. will interest almost everyone. We live just 15 kilometres from beautiful sand beaches. There is a lovely view from our living room windows.

Our family: We are a family of four: my wife Monica (38 years old) is a journalist, while I (Mario, 41 years old) am a maths teacher. Monica and I have two delightful daughters, Alice (12 years old) and Silvia (10 years old). We enjoy having nice things ourselves, and therefore would know how to take care of yours. We are considerate people and will do our utmost to make sure that your home and your belongings are left in the same condition as we find them. None of us smoke.

Other information: We have home and car insurance which covers anything that might go wrong. We have a 1992 Peugeot 306 that we are willing to exchange. We have already enjoyed three successful exchanges to the following countries

If you are interested in our offer, we would love to receive a letter, with pictures of your family and your home if possible. We can be contacted by phone (numero di telefono completo di prefisso internazionale +39) or by mail, or also by fax (numero completo). We look forward to hearing from you!

Yours Truly,
